

# THE \$DERP TOKEN

POWERED BY CARDANO

## Summary

\$DERP is a utility token with a fixed supply of 100,000,000 that has a mix of uses for the Cardano NFT space, as well as many specific uses for the Derp Birds gamified roadmap.

## How to earn \$DERP

1. Create an account on [derpbirds.io](https://derpbirds.io) using your Discord login
2. [Connect your wallets](#) to your account
3. **Earn XP** by staking(holding) Derp NFTs in your connected wallets
4. **Earn XP** by [unlocking achievements](#)
5. **Earn XP** by being an active community member on Discord and Twitter
6. Claim your \$DERP at the \$DERP Exchange (coming soon) based on the amount of XP you have earned

## How to use

Spend your \$DERP at the Prize Shop (coming soon) by purchasing raffle entries for blue-chip NFTs (Spacebudz, Clays, PXL, Kongz, etc.) or white list spots for other projects.

Checkout the complete [\\$DERP Lite Paper](#) for more information on other upcoming uses for \$DERP.
